Tuesday 4<sup>th</sup> September 2018

Dear Parents/Carers,

**After school clubs - Autumn Term**

*For the past year, we have been trialing outside club agencies to provide extra-curricular activities for the children. At periods throughout the year, this has been both successful and unsuccessful. We have discussed this as a school and taken on your feedback and we have decided to revert back to the way we provided after-school clubs in the past. I was very conscious that the clubs we offered to children last year were only of a sports nature and this was not enabling the children to gain those 'extra-curricular' skills in other areas. Mr. Massam will be sending out a separate letter for after-school sporting clubs that he will be providing (a small charge of £2 per session), but the staff have offered their time to lead on some other activities of a non-sporting nature.*

The new clubs available will run for the autumn term and as spaces are limited for after school clubs, please be advised that they will be allocated on a first come first serve basis on return of this letter. Some clubs may incur a small attendance fee if resources are needed to run.

If your child is interested in any of the available after school club activities on offer you will need to register for the club by completing the form on the back of this letter. **Children will not be allowed to stay behind at an after school club without a permission slip from their parent/carer.** Everyone who returns a form will be informed on whether they have a place or not. Clubs will conclude at 4.15pm.

**If your child is not attending a club on the day then written notification or a phone call from a parent is needed. If this occurs two weeks running then their place will be lost and given to another child as many will have waiting lists.**
