Latest news.....

New website— we are thrilled with our new website and hope it does an even better job of informing you of what is happening in school and a source of information to help you as parents. The class pages will be developed over the next couple of weeks as the staff become familiar with the new software.

Lunchtime arrangements—due to a very busy playground from 1pm onwards, we have trialled a new system at lunchtime to help reduce accidents and improve safety. The children are eating their lunch in two sittings which is alternated every day; 12.30—12.55 and 12.55-1.20. During those times, three classes are in the hall eating their lunch and three classes are either outside or in arts and crafts. We have seen a noticeable drop in the number of first aids and accidents this week and we also feel the children are eating their lunch in a much more relaxed manner rather than as quickly as possible, which is much better for their digestion. We will continue to monitor this new system over the next few weeks.

Homework Books—if you would like to purchase homework books, the deadline was today. We will extend this until Wednesday next week so we can get the order sent off. These books are the GCP books which cost approximately £5 each from retailers, but we can get them for £2 each. These books are not compulsory homework, but will help your child with their learning at home. There are two books available; a maths and a grammar book. Please put money in an envelope with your child's name and class number and hand into the office.

Parking—I have been monitoring the parking along Basin Lane and I have been amazed at the parents that park across residents' drives or on double yellow lines. I know parents think they are only there for a couple of minutes, but if that resident needed to leave their house in an emergency, they would not be able to. Please leave enough time to park safely and respectfully.

Harvest—our festival is next Tuesday morning at St George's Church. We would be grateful for any tinned or dried food produce to donate to our local Food Bank.
