Harvest celebrations—we had a wonderful harvest celebration on Tuesday at St George’s Church. Reverend Gary Simmonds talked to the children about how donating even the smallest gift of food, kindness, generosity, makes a big difference to people’s lives. The amount of food donated was incredible—thank you so much for your generosity. Our local Foodbank stock is extremely low and this gift will make a big difference to those in need in our local community.

PE Silver Award— well done to Mr Massam who met with a Schools Games accreditor on Wednesday to assess our evidence to demonstrate we are now a Silver School Games School. We were awarded Bronze in 2016 and we are delighted with the progress Mr Massam has made to achieve this next award. The children at William MacGregor take part in a great deal of intra and inter competitions and events which enrich their lives.

School Facebook page— we now 107 ‘friends’ on our closed page. I have found it a challenge to accept some people as I don’t recognise their names or faces! If you have sent a friend request through and not been accepted please can you email me your name and your child’s name which will help me a great deal. We are only accepting parents of children at our school. headteacher@williammacgregor.staffs.sch.uk

Our school vision—a huge well done and thank you to the 32 children who entered our vision competition. The dreams these children have for their futures are wonderful and made Mrs Jones and myself really smile. I was very proud of the effort the children put into their newspaper article and the parents too who helped the younger children. It was far too hard to pick a winner from each class, so we have uploaded them all onto our website vision page and celebrated their efforts in achievement assembly today. See page 2 for the names of all our entries. Our next step is to bring everyone’s input together and communicate our vision in a clear and concise way. We will keep you updated.

Attendance—Thank you so much for sending your child to school when they are not feeling 100%. This term I have had many messages at the gate saying they’ve dosed their child up and sent them in. Even when they are not 100%, they are still learning in their lessons.
