Ladybirds — Kyrrah,
Maya, Zack

Year 1 — Victoria,
Melissa

Year 2 — Chloe, Morgan,
Megan, James, Logan

Year 3 — Phoebe C,
Olivia, Alfie, Rhyanna

Year 4 — None

Year 5 — None

Year 6 — Calum, Liam

Data Collection

We are still missing a large number of data collection sheets. These need to be returned to school as soon as possible. It is really important that we have the most up to date contact information for parents. Many thanks!!

Latest news....

Y4 and 5 at Shugborough—The children have had a fabulous time this week on their residential. It is the first time we have taken Year 4 and they have coped amazingly. Myself and Mrs Norton have spent a night up there this week with the children and they could not wait to tell us about their exciting days. Activities have ranged from canoeing, rock climbing and archery to caving, craft and orienteering. Last night, the children had a big camp fire and sang well into the night. Although sleep has been minimal, the memories the children will take from this experience are priceless. The children have shown great resilience and challenged themselves and this will enable them to grow in confidence. A huge thank-you to the staff that give up their time for such experiences to happen. Photos will follow on the website but please bare with us as we try to work our way around the new site.

'Friends' of WMG PTA—Leaflets have gone out today detailing all the events that the PTA will be running this year. Through their dedication and hard work, the PTA raised £4283 last year of which 100% will go back to the children of WMG in some form.. Over the years, this money has funded many school items including a reading scheme and most recently—the Virtual Reality Headsets. The parents that run and help out at these events do so completely voluntarily and the events can only happen with parent support. If you want to volunteer or feel you can offer some time either at an event or in the planning of one of the events then please let us know.

Safety—There have been a few reports over the last few weeks of relatives of children trying to get the children's attention through the fence at lunchtimes. Please be mindful that the staff will move the children away for their own safety as each member of staff will not know every adult related to children. The children's safety is paramount at each time of the day so please try to refrain from doing this and do not take offence if you are asked to move on.

Diaries—If you have not done so already then please tick the consent options at the front of your child's diary and sign to say that consent is given for these at the bottom of the page. If there are two parents in your home then consent is needed from both parents and both signatures are needed.

Remembrance Day—We will be selling poppies in school after half term for a small donation. Children can bring in money to buy a poppy from Monday 5th November. We will be marking this day in school on Thursday 8th.

INSET—A reminder that we have a training day on FRIDAY 9TH NOVEMBER and school will be closed to pupils.

Happy half term—Thank you to all of you for your support over this half term—always the longest one of the year! The children came back in September ready and eager to learn and have been showing their great learning behaviours since. A thank you to the staff who work so hard for the children too. Have a restful week whatever you may be doing and we will see you back in school on Monday 5th November.
