

## Our Vision

### Data Collection

We are still missing a large number of data collection sheets. These need to be returned to school as soon as possible. It is really important that we have the most up to date contact information for parents. It is not necessary for us to have all of the signatures of other emergency contacts if you are struggling to get them, it is more important that we have the forms returned to school. Many thanks!!

### Happy Birthday

**Welcome back**—I hope you had a great holiday and spent lots of family time together.

A reminder that we are closed for an INSET day tomorrow (Friday 9th November)

**Calendar Dates**—This is one of our busiest half terms in school so please remember to check the calendar on the website for upcoming events.

**Year 3**—Year 3 have had a busy week in school. On Monday, the class visited Cadbury world and had a great day sampling chocolate as well as learning about the journey it takes for chocolate to be made. Children learnt all about the history of Cadburys too and have been putting all this learning into their work in school this week. Today, year 3 were also invited to St George Church to take part in 'Messy Remembrance'. The children were able to learn about the importance of Remembrance day whilst taking part in some fun art activities. A busy and fun week for them!

**Remembrance Day**—Today the children have all taken part in activities that help them gain a better understanding of why we wear poppies and have a period of silence this time each year. The children have been learning all about the significance of Remembrance Day and the history behind it learning about it through different subjects across the day. The day ended with a celebration assembly of all this work. Look out for photos on the website.

**Book Fair** - This week, the book fair has been in school and has been very popular. Thank you to everybody who has supported the event as a percentage of everything spent is given back to school to purchase more books for the children. Miss Noakes ran a competition for the fair this week whereby the children had to design a book cover of their favourite story. Each winner gained a £5 voucher to spend at the fair. Well done to all our winners! I will let you know the final total made next week.

**Odd Sock Day**—Next Tuesday (13th) the children can wear odd socks for the day to celebrate 'Anti-Bullying Week' which is also next week. The point of this is for fun and for us to give the children the opportunity to express themselves and celebrate their individuality and what makes us all unique! The theme for next week's Anti-bullying week is 'Choose Respect' and we will be giving the children the opportunity to learn about this and explore their thoughts through some planned activities throughout the week. Children will also be taking part in Anti-Cyber Bullying day on Thursday.
